He is best known for his works in Tamil, Telugu, Hindi and Kannada cinema. Hrithik has also ventured to the comedy and action genres of cinema. After a highly successful career in Tamil films he made his debut in Hindi cinema with Krrish. He is also part of action thriller film Judwaa 2 which was highly successful at the box office. Synopsis : In this new age, to win the heart of the beautiful girl, one must be tough enough. In Krrish, to save the earth from the devastation caused by the black hole created by the explosion of an atomic bomb, the Earth sends its 'Krrish'. As the Krrish, Hrithik is a proud father who loves his son. The film is based on the world's first live-action extraterrestrial alien, who lives on the Earth. The film tells the story of a scientist who is inspired by the alien and tries to save his son from the Krrish. Synopsis: Hrithik Roshan's Krrish, a live-action superhero on the planet Earth, has his own agenda to get back home. Krrish is going after his cosmic aim of saving the earth from the devastation caused by the explosion of an atomic bomb. Krrish is a force of unmatched power. Even the world's top scientists are awestruck when faced with this powerful being. But the science of aliens in Krrish is alien to him. Only a lonely and autistic boy is able to understand him. But the alien is all that this lonely boy needs. Who is Hrithik Roshan? The star of Krrish, Hrithik Roshan was born on 2 May 1974 in Mumbai, Maharashtra, India.
