Team up for a night of murder and madness! The Urge Team has been working hard to finish a highly anticipated game, and they've been trying to decide which one of their characters to bring along. They've got a full crew and the full shaker, but which character to add? Luckily, the Creator has an idea! She's found a Death Road to Canada, and she wants YOU to drive it. And if you bring your characters you can drive in too, but it's chaotic and the roads are full of zombies! You're looking for survivors, people who will help you and food. If you get eaten, it's on you… DESCRIPTION:If you're looking for a vast world full of unique and interesting locations, a diverse cast of characters, and A-list game features… Doom Builder is a hardcore dio game with simple and intuitive game play. Click and drag building blocks to put together and explore randomly generated levels for hours of fun. If you own some action genre game and love'speed running' that's this game for you! Driving physics, a free and open world, night and day cycles, diverse characters, full sound and graphics… An epic auto riding war story in Mad Max style. Join the epic motor ride as you travel along different roads in an open world where you get to meet different characters and learn more about Mad Max character and the world itself. Be the hero, get high and steal the best cars. This is not your average racing game. The most downloaded car game in the last 10 years. Freestyle or stunt driving along with drifting. Collect cars, modify them and

beat your rivals to win. Discover the world in a totally different way. The game allows you to choose one of the five different levels. There are four different modes to play: Car Chase - Run away from the pursuit. Rally - A racing tournament where you have to perform to come first. Steal - It is the 'classic' stealing of vehicles and becoming the number one. Assault - Drive through the city streets. Mad Max is a free and open world action-driving game. Play for free, join our community to keep fit and have fun with friends! Join our team of car enthusiasts to see and share your favourite action, racing, or war games! Enjoy free updates, new features and more
