Enter the Para-Training

In today's update, we shall be exploring three new modes that will test your memory, stamina, and strength levels. It's Para-Training!

YOU CAN DO IT!

Due to the large amount of stress caused by the intense work completed and the many battles that you have fought, the Flow of Stamina and Memory has started to fluctuate as shown in the below chart. The official Para-Training is for recovering these problems.

5 Content Routers

As you can see above, on the official website, you can easily search for different Routes containing various content and undertake Missions, while you are able to participate in optional synchronization with other players. The maximum amount of Mission Routers is limited to 9. It is required for the Discovery of Watery Void and for unlocking a special head set for good luck! You must obtain 9 Mission Routers in order to participate in the Mega Event. We will introduce more details on this below.
