The voice talks about a disclosure in the writing of acrylic. In brief, a common problem facing painting artists was a lack of understanding of acrylics as a medium. If you paint with acrylic, it will dry darker. This was a problem for those who paint landscapes. It is said that a solution to this problem would be any color mixed with clear acrylic. In this book, the author lists various colors that can be mixed with acrylic. In some countries, this book is available for free download on the internet. Otherwise, a premium content book can be purchased.
